

NEWARK NPA OPEN CHAMPIONSHIP PIGEON SHOW 2024

Sunday 13th October 2024

EXHIBITOR BIRD HEALTH DECLARATION FORM

EXHIBITOR BIOSECURITY REQUIREMENTS AND RECOMMENDATIONS

1. All birds should be health checked by the exhibitor prior to travelling to the gathering/show venue and they should show no signs of illness.
2. Ensure all baskets, crates are clean. No soiled or visibly contaminated baskets, with bird droppings or other material of bird origin, other than faeces produced during transportation of the birds to the gathering will be allowed into the venue.
3. The birds must not originate from premises or areas which are under restriction related to the confirmation of a notifiable avian disease including any temporary disease controlled zone or Avian Influenza Prevention Zone.
4. To the best of the exhibitors knowledge none of the birds being exhibited will have been in contact with any notifiable avian disease agents.
5. Biosecurity measures should be carried out at the home premises to protect the birds from possible illnesses and infections.
6. All birds should be health checked by the exhibitor before leaving the show.
7. It is recommended that all returning birds should be isolated from other birds on the home premises for a minimum of 7 days ideally 14 days
8. The premises of origin for any birds attending the show must be registered with the Animal and Plant Health on the GB Poultry register and the keeper of such birds will need to provide evidence of registration (CPH number).
9. Entry into the show hall will be refused if the premises of origin of the entrants is located in a disease control zone or prevention zone at the time of entry into the show hall.
10. The exhibitor declares that the birds do not originate from premises or areas which are under restrictions related to conformation of a notifiable avian disease, including temporary zone and can provide a valid CPH number to verify this.
